## Barbeques – BBQ's

333 North Rancho Drive, Las Vegas NV 89106-3703

Phone: (702) 229-6251 Fax: (702) 382-1240

Effective December 1, 2001, any permanently built residential BBQ that exceeds five feet in any dimension (length, width, height) requires plans and permits. BBQ's that are smaller than five feet in any dimension do not require plans or permits.

**However, all electrical, gas, and potable water lines require plans and permits regardless of the size of the BBQ.**
